The Tribune went into every home in Wauseon this week. What better medium of advertisement could the business men want. It covers the county thoroughly. More than 2000 copies went out from this office into Fulton County this week. Look over the pages and you will find the news. We give the people more than 200 inches of news than any other paper here.

Mr. A. E. Harger, councilman, says: "The Council have got to curtail expenses some way. They must meet with the requirements made by the new law, and that is pay as you go. We are deep in debt, and are not allowed to borrow money. Something that needs to be done will have to be left undone."

ST. JOHN'S — WAUSEON
At Westminster Gym, Toledo, last evening, Socie of the Wauseon quintet started the scoring for Wauseon with a field goal. Ralph Geer followed with a foul and L. Geer tossed a field basket, giving our boys a five point lead before St. John's started. Sloan then shot one from the field for Toledo. Capt. Geo. Robinson then made the first of his three spectacular shots from the center ring, a cently appeared in Toledo and scored distance of 45 feet. These shots never touched either the bank or the hoop but went in clean as a whistle. Before the half ended, Socie, R. Geer and Robinson each made a basket, bringing the score 14 to 12 in Wauseon's favor when time was called.

During the second half the play was practically even, each team scoring 7 points. With the score 18 and 18 and three minutes to play, Capt. Robinson broke the tie with his third long shot. R. Geer tossed in another foul making the score 21, while the best St. John's could do was a toss from the foul line. Wauseon's team work was good, although not as fast as it might have been. For St. John's, Holtgrieve, Sloan and Stump played a fast game. Referee, Slocum.

This is the first time within our memory, at least, that a W. H. S. team has defeated any Toledo school on its own floor.

The game Saturday night with Maumee may be the final home game of the season. If finances are available, Wauseon will send its team to the tournament at Defiance.

It is especially desirable that a large crowd turn out to swell the team's exchequer. Twenty-five dollars, clear cash are needed. Donations are acceptable. Which statement is an outspoken hint to the business men of the town especially, but also applies to anyone who is sportsman enough to proffer help to send the team to Defiance. It would be good advertising for Wauseon, good publicity, and an excellent means of further establishing the prestige of our High School now has.

If you want to see an interesting game come to the Gottschalk Hall, Saturday night, and watch Maumee and Wauseon.

We do not wish to go into detail, but we do wish to say here that any and all who will pass the ball to his team mate who has a slight advantage of position for goal rather than to attempt a shot himself is bound to win the esteem and popularity of the fans. We honor a certain W. H. S. player for the sacrifice he made. His playing was excellent and we need more team-work of the example he set.

Wauseon had their opponents bewildered for a while in the last half. The score at the final whistle Montpelier 17, and Wauseon, 32.

The All-Stars and Reserves did not give the close battle they did at their former get-together. The Reserves had the better of it all the way. Score, 1st half, All-Stars, 0; Reserves 6; Final, All-Stars 3, Reserves 15.

This Saturday night, Feb. 25th, Maumee High comes here. Be with the crowd at Gottschalk's Hall.

There will be a special Milk Meeting at the Y. M. C. A. building, Toledo, Ohio, Friday evening, Feb. 24, at 8:15 Eastern time, under the auspices of The Northwestern Co-operative Sales Company.

A request has been made by the Post Office to all organizations to hand in the names of their Secretary. This will aid them materially in sending mail to the different lodges to the proper persons.

Figures compiled recently at the office of the State Tax Commission show that 89 per cent of the increase in Ohio's grand tax duplicate for 1921 is borne by the public utility companies of the state.

Mrs. Sam Morningstar attended the funeral of a cousin, Mrs. Mary Chevroux, in Canton, Ohio, Wednesday. She spent the remainder of the week with her sister, Mrs. Elizabeth Ruppert and daughter Helen, of Oberlin.

Judge A. M. Barber and C. A. Cole attended a meeting of the Commerce Club in Fayette Wednesday evening. Dr. S. E. Brewster of Cleveland was the principal speaker. He gave his wonderful lecture "Gold Nuggets." The occasion was a meeting of dads and lads. They report a good time.

MONTPELIER HI

A large crowd assembled at Gottschalk's Hall last Friday evening to see Montpelier take a trouncing at the hands of Wauseon Hi's basket men. Many came early because of interest in the preliminary game between the Reserves and All-Stars.

The big game was not exceptional in speed, such as the Woodward Tech affair early in the season, yet it was by no means slow, and was breezy enough throughout to hold one's undivided attention. Montpelier outjumped our center on the first toss-up, and got the tip-off almost as will as the game proceeded. In fact, Socie at times made no effort to jump his best, for it made little difference to our boys who tipped the ball off or who gained possession of it.

They got it, all right, and if 'Pelier did, then it was a pleasure to rush in break up Montpelier's passing and recover the ball.

Wauseon made the first point on a free throw. Directly afterwards the visitors hooped one from the field which gave them the advantage by one point. Then for a while it was a close battle and during that time Montpelier's passing seemed a shade better than Wauseon's. The tide turned in favor of the home team and the score at the half was 14 to 9.

On the free throws, Wauseon's marksman out-shot and out-shone the Pelier tosser. We like to see them pass through the ring without touching.

In the last half of the game Wauseon did some fine passing, working the ball down under the basket before shooting and not trying so many long throws. The fans like the shorter attempts at goal. For, in truth, it does tend to bring out better team work and gets away from the grandstand play of the individual at long range.

As is often the case when team work develops, some player may show up heavy as a point maker on the score sheets, while an equally amount of credit is justly due to some buddy with few or no points to his credit. Such a condition arose in this game.

We do not wish to go into detail, but we do wish to say here that any and all who will pass the ball to his team mate who has a slight advantage of position for goal rather than to attempt a shot himself is bound to win the esteem and popularity of the fans. We honor a certain W. H. S. player for the sacrifice he made. His playing was excellent and we need more team-work of the example he set.

The All-Stars and Reserves did not give the close battle they did at their former get-together. The Reserves had the better of it all the way. Score, 1st half, All-Stars, 0; Reserves 6; Final, All-Stars 3, Reserves 15.
